## Message from the President & CEO

---

We at TxEDC, often say that everything we do, we do the Texas way — bigger, bolder, and better. As we close out another milestone year, I am extremely **proud of our TxEDC Investors**, whose partnership and commitment continue to **power our success.**

Each of you play a vital role in helping us tell the Texas story. Because of your investment, along with the work being done by Adriana Cruz, Executive Director of the Governor's Texas Economic Development & Tourism Office, we are able to share with the world how Texas continues to lead as the **#1 State for Business**, attracting companies, creating jobs, and strengthening communities across every region of our great state.

But we're not stopping. As we look ahead to 2026, we're focused on growing our TxEDC Investor family, expanding our reach, and **raising the bar even higher.**

The success of economic development has many heroes, and we pause now to honor the memory of **Bruce Bugg, former TxEDC Chair and former TxDOT Chair**, whose leadership and dedication to economic development helped to shape Texas into the powerhouse it is today.

To our current investors — thank you for your unwavering belief in Texas and in TxEDC. To those soon joining us — we look forward to welcoming you to the winning team. The best is yet to come!
